

RoHS Compliance Declaration

Ramsey Electronics, LLC certifies our lead free products delivered to our customers conform to the RoHS requirements, in which six banned substances are not detected or are under the limitation. To identify a RoHS compliant product look for the Ramsey RoHS logo on the respective product. This declaration applies only to those products identified as RoHS compliant.

The Restriction of Hazardous Substances Directive (RoHS) 2002/95/EC was adopted in February 2003 by the European Union. This directive restricts the use of six hazardous materials in the manufacture of various types of electronic and electrical equipment. The RoHS directive is closely linked with the Waste Electrical and Electronic Equipment Directive (WEEE) 2002/96/EC which sets collection, recycling, and recover targets for electrical goods and is part of a legislative initiative to solve the problem of toxic E-Waste.

Banned Substances	Maximum Concentrations
Lead (Pb)	1000 ppm
Cadmium (Cd)	100 ppm
Mercury (Hg)	1000 ppm
Hexavalent Chromium (CrVI)	1000 ppm
Polybrominate Biphenyls (PPB)	1000 ppm
Polybrominate Biphenyls Ethers (PBDE)	1000 ppm

This declaration is based on Ramsey Electronics, LLC's understanding of the RoHS directive and knowledge of the materials that go into Ramsey RoHS applicable products as of the date of disclosure information.
